

## Southern Chester County Homeschoolers - Connections Co-op

### Photography & Social Media Policy and Release

I understand that photographs may be taken during co-op and activities and posted to the Southern Chester County Homeschoolers website, email newsletter, and/or private BAND group. SCCH will not release any personally identifiable information without prior consent from you the parent/guardian.

I also understand that other parents may want a group photo or photos that may include my child participating. I understand that I am responsible for pulling my child(ren) aside in these circumstances, should I not want pictures taken.

SCCH discourages sharing photographs of other people's children on social media without parental permission. Blurring other children's faces or placing "stickers" to cover their faces to make them unrecognizable is generally acceptable.
